Sports Update Term 2

Tauraroa Area School has some amazing athletes and over the past few weeks they have been involved in a number of one day events, weekly fixtures and also a week long Northland Area Schools tournament. Thank you to all the coaches and parents who took them to trainings, games and supported them.

Saturday Netball – we have 3 senior teams, 2 intermediate teams and a junior team battling it out at the netball courts every Saturday and all representing Tauraroa Area School with pride and skill.

Wednesday Football- Our years 9-13 girls are playing in the second division and are definitely building in their team play and strategy.

Mid week basketball- we have 3 teams (senior, intermediate and junior). It is great to see basketball being represented and the potential of the players turning in to a reality with their hard work at training and dedication to the game.

Hockey- Due to an increase in numbers we now have 2 collegiate teams who play on Monday nights. There is a sense of fun for the sheer joy of playing sport on these evenings.

Golf- we had 3 students who represented Tauraroa Area School in the Northland Secondary school tournament. Llewellyn Yearbury-Murphy finished first in the Area Schools section, Finn Doherty was paired up with another student and finished first in the Ambrose competition. Unfortunately Danielle Ngakuru-Smith had to withdraw part way around the course.

A team of 8 girls from years 9 & 10 played in a six aside hockey tournament at Kensington. They finished 5th overall and had a great day.

NASA-Northland Area Schools tournament week was an action packed week with over 80 students being involved in 7 codes. Thank you to the parents for organising transport for their children. It was an extremely successful tournament, with some outstanding team and individual results which lead to Tauraroa Area School being named the Top Area School in Northland.

Please see overleaf for the overall results:

We have more events coming up, including 10 pin bowling, 3 on 3 basketball, a winter sports tournament for the years 4-6 and of course, the highly contested Northland Secondary Schools Cross country where students will be selected from our schools own event to name just a few.

Please check with your children if they have permission slips for any of these events.
