Our company is running a promotion whereby we will donate \$ 10.00 to the school of choice for every roll of Crystal silage film used by the farmer / contractor. This requires no effort or input from the school however if you would like to promote the idea to farmers in your catchment then we have attached a letter detailing the promotion and a brochure on the product.

All the farmer has to do is ask his contractor or normal supplier to use Crystal wrap on some of his bales when making his silage. Crystal is a distinctive product as it is transparent silage film as opposed to a normal green colour. It is both beneficial for the farmer and the environment. The farmer will not pay any more than normal for the product as Grevillia Ag is funding the promotion.

By way of example if a farmer makes 200 bales of silage and decides to use Crystal then it would be approximately 10 rolls of Crystal and his nominated school would receive a cheque for \$ 100.00 from us at the end of the promotion. If you have a number of farmers in your community who decide to support the promotion then the cheque could be much larger.

Crystal wrap is not only good leading edge technology but it has been proven in New Zealand for over four years now. We hope you see some merit in passing this opportunity on to your wider school community and if you would like any further information please feel free to email or call us as below.

School Entrants Ages 4 to 6

Have your child breeze into school with a firm foundation of maths already under their belts.

Middle Primary Ages 7 to 10

Give your child the confidence they need in the classroom to succeed in learning maths skills.

Intermediate Ages 11 to 13

Make sure your child is ready for entry into high school mathematics.

Raise funds for your school this spring.

For farmers who nominate your school,
we'll donate \$1 for every tonne of
qualifying Ballance Agri-Nutrients
fertiliser purchased!*

**Register and nominate your school
at www.cashforcommunities.co.nz**

*Open to PGG Wrightson Ltd account holders only. \$1 per tonne of Ballance Agri-Nutrients fertiliser purchased (excluding Lime and Gypsum), between 1 September and 30 November 2018, will be donated to your nominated cause (selected from an approved list). See full terms and conditions at www.cashforcommunities.co.nz. Minimum donation per cause applies.

Plus, give your school a chance to win iPads!

*The school with the highest number
of nominations in both the North
and South Island will receive three
Apple iPad Pros (10.5 inch, 64GB)
each. The school with the second
highest number of nominations in
both the North and South Island
will also receive two Apple iPad Pros
(10.5 inch, 64GB) each.*

- ★ Practice Problem Solving Skills

200 acres of native bush intercepted by a meandering stream provides a backdrop for a myriad of possible learning experiences and adventures! The simplicity of the park is its true advantage; here guests must put down their technology and kick their imaginations into gear. Recent research suggests both mental and physical benefits from getting outside in nature. Come see those benefits in action at Trefoil Park!

NOW TAKING BOOKINGS!

20 pods

big kitchen

sunroom

2 rooms

Trefoil Park is for bookings from October this year under the new business name of Green Footed Kiwi!

We have double rooms, pods, and heaps of space to camp, 200 acres of bush with a stream snaking through for an added bonus just waiting to be explored. Peacocks, friendly cows, fluffy footed chickens, native birds we have them all! We even have confirmed kiwi on site. Trefoil Park is located just south of Kaikohe on state highway 15. A perfect place to make a base camp to explore Northland. And don't forget the Twin Coast Cycleway...downhill both ways from here!
