

MATARIKI / WEARABLE ARTS SHOW

There was something pretty wonderful about the show that was put on, Friday 22 June, under the guidance of Sandra Guest. As an Area School we certainly have a wide range of talented students and what a perfect occasion to showcase this. Megan Burns and Jayden Lincoln did a great job of keeping the evening flowing as MCs of the show. The Wearable Arts competition had students from Year 1 to Year 13, confidently "strutting their stuff" out on the catwalk, in garments that had been designed and created by the students. The three judges, Karen Willoughby, Maria Whitaker and Mary Hackett did not have an enviable task of choosing a winner for each division.

Anna Pascoe successfully coached the TASMAX team who entertained us with the TAS version of Stage Challenge/J-Rock. This involved students from Year 3 and up. The theme was around wellbeing.

Derek Hopper, Kathleen Mulligan and the Concert Band made beautiful music, performing a couple of pieces that they will be doing at the Rhapsody Rotorua Festival. The Jazz Band never fails to impress the audience with quality music.

Hendrix Hall Buckley did a standout solo piece and as always, our Kapa Haka impressed the audience.

The choir did a good job and even the staff entertained us with humour and talent.
